KEY FEATURES
Fast Acting
Professional Use Product

Part #	Product	QTY	Size
FF-32	Free-Flow	12	32 oz Bottle

Thick formula designed to open clogged drains fast. Pours through standing water directly to the stoppage. Use weekly to maintain clear lines. Will not harm pipes or septic tanks.

Directions For Use:

1. Pour ½ bottle (16 ounces) slowly into drain.
2. Allow to work for 15 minutes.
3. Flush with hot water - repeat steps 1-3 if required.

Avoid splashing in eyes, on skin and clothing. Do not use with plunger or in toilets. Keep bottle in upright position. Do not put bottle on carpeting, clothing, upholstery or any surface that may become damaged.

DANGER: May be corrosive to metals. Causes serious skin burns and eye damage.

Keep only in original container. Do not breathe mist / vapors / spray. Wash face, hands, and any exposed skin thoroughly after handling. Wear protective gloves, protective clothing, eye protection, and face protection.

FIRST AID: IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. IF ON SKIN (or hair): Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

Store locked up. Dispose of contents and container in accordance with all local, regional, and national regulations.

Contains [CAS]: Sodium hydroxide [1310-73-2].
