Food Safe

Dissolves Scale

All Ingredients Meet F.C.C. Specs

USDA Accepted

Part #	Product	QTY	Size
H-301	Ice Machine Cleaner	4	1 Gal Bottle

Directions For Use:

Follow equipment manufacturer's cleaning instructions. If not available, use the following as a guide:

1. Read entire label & Safety Data Sheet before use.
2. Drain machine and refill with fresh water.
3. Turn off refrigeration and leave pump in operation if possible.
4. Add H.B. 30 to circulating water at the rate of 3 - 6 ounces per gallon.
5. Circulate for approximately 30 minutes, brushing solution on surfaces not contacted by circulating solution. Extra heavy scale may require repeat application. Clean drums by mixing 8 ounces H.B. 30 with 2 quarts water and brush on scaled surfaces.
6. After cleaning, drain and flush thoroughly with fresh water.

DANGER: May be corrosive to metals. Causes severe skin burns and eye damage. Harmful if swallowed. Keep in original container. Do not breathe mist/vapors/spray. Wash face, hands, and any exposed skin thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection.

FIRST AID: IF SWALLOWED: Rinse mouth. Do not induce vomiting. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. IF INHALED: Remove person to fresh air and keep comfortable for breathing. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER/doctor.

Store locked up. Dispose of contents and container in accordance with all local, regional, and national regulations.

Contains [CAS]: Phosphoric acid [7664-38-2], citric acid [77-92-9], poloxamer [9003-11-6].
