

Neutronic™

Filter Treatment

KEY FEATURES

Pleasantly scented, Non Toxic

Neutralizes odors, not a simple masking agent

Tackifying treatment increases filter efficiency

Part #	Product	QTY	Size
H-NFS16	Filter Treatment Spray Bottle	12	16 oz Bottle

Use Neutronic™ Filter Treatment to Neutralize foul odors and increase filter efficiency. Unlike regular deodorizers that mask odors with heavy perfumes or oils, Neutronic™ quickly eliminates odors by oxidation. It leaves no lingering strong perfume or antiseptic smell. Use in homes, schools, hospitals — anywhere foul odors are a problem. Neutronic™ Filter Treatment is non-toxic, non-allergenic, and biodegradable.

Directions For Use:
Pre-treat new or re-treat washable Heating, Ventilation, and Air Conditioning fibrous media air filters before installation. Simply spray liberally, all sides of filter media surfaces. Install filter and resume normal operation.

WARNING: Causes skin irritation. Causes serious eye irritation. Wash thoroughly after handling. Wear protective gloves and eye protection. KEEP OUT OF REACH OF CHILDREN.

FIRST AID: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation develops or persists: Get medical advice/attention. IF ON SKIN: Wash with plenty of water. If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash it before reuse.

Dispose of contents/container in accordance with local/regional/national/international regulations. Contains [CAS]: Denatured ethanol [64-17-5], fragrance / odor neutralizer.
