

Neutronic™

Odor Neutralizer/Counteractant

KEY FEATURES

Neutralizes odors, not simply a masking agent

Environmentally friendly

Pleasantly scented

Non-Toxic, Non-Corrosive

Part #	Product	QTY	Size
H-NS01	Odor Neutralizer	4	1 Gal Bottle

Unlike regular deodorizers that mask odors with heavy perfumes or oils, Neutronic quickly eliminates odors by oxidation. It leaves no lingering perfume or antiseptic smell and is designed for use in homes, schools, hospitals—anywhere foul odors are a problem.

Directions For Use:

After cleaning, spray or wipe surfaces to remove residual odors including odors caused by smoke, pets, mold & mildew, urine, feces and chemicals.

AIR CONDITIONERS: Spray into air intake while fan is running. Apply liberally to evaporators and condensate pans after cleaning. Use 4 ounces per gallon of water in evaporative cooler sump to eliminate stale musty odors.

FILTERS: Spray liberally on all types of filter media.

HUMIDIFIERS: Add 4 ounces for each gallon of water added to humidifier

DRAINS: Pour into foul smelling drain lines to eliminate odors. **LOCKER ROOMS, SHOWERS, RESTROOMS:** Clean heavily soiled surfaces and spray liberally around toilets, urinals, sinks, showers and lockers to eliminate odors caused by mildew, mold, urine, and perspiration.

HOSPITALS & NURSING HOMES: Clean heavily soiled areas and spray or wipe surfaces to eliminate odors.

To remove residual urine odors from pet areas, in carpets, bedding etc.: Blot up as much liquid as possible and pour Neutronic onto contaminated area saturating to source of odor. Use towel to blot up excess liquid and allow area to dry.

USE NEUTRONIC ANYWHERE FOUL ODORS ARE PRESENT

WARNING: Causes skin irritation. Causes serious eye irritation. Wash thoroughly after handling. Wear protective gloves and eye protection. KEEP OUT OF REACH OF CHILDREN.

FIRST AID: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation develops or persists: Get medical advice/attention. IF INHALED: Remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER/doctor if you feel unwell. IF ON SKIN: Wash with plenty of water. If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash it before reuse. IF SWALLOWED: Immediately call a POISON CENTER/doctor. Do NOT induce vomiting.

Dispose of contents/container in accordance with local/regional/national/international regulations.
